

# Discover Cisco

## EMEA Incubator Program 12

We invite you to join us at one of our Webinars to learn more about the next edition of our EMEA-wide Incubator Programme and how it will help you to kick off your IT career in the Networking field.

- 📌 Click [here](#) to register for 26th March, 15.00 CET
- 📌 Click [here](#) to register for 28th March, 11.00 CET

### Apply to the Program to:

- ✓ Receive training on Cisco technologies
- ✓ Prepare for industry-recognised certifications (e.g. CCNA)
- ✓ Network with talent from around the EMEA region
- ✓ Be considered for technical roles at Cisco Poland and Portugal upon successful completion of the programme

Click [here](#) or read in the QR code to apply.
